TO WHOM IT MAY CONCERN:

This letter will serve to acknowledge that my former employee, Carl Brinson, worked under my supervision in the Department of Health & Welfare, in the City of Newark, from 1967 to 1970, as a tireless and dilligent employee.

To the best of my knowledge, prior to his employment under my direction, he worked in the Neighborhood Youth Corp from 1963 until he came to my Department.

Very truly yours,

Larrie West Stalks
